Subject: RE: Oracle v Google- Joint Witness List for Jury Questionnaire
Importance: Normal

Thanks, Rob. The list looks okay for the purposes of tomorrow's submission, but by agreeing to this list we do not waive any objections that we have to the witnesses that Oracle has included. In particular:

1. Google objects to any attempt by Oracle to call witnesses who were never disclosed on Oracle's initial disclosures, including Sergey Brin, Jaehyou "Jerry" Lee, Stefano Mazzocchi, Scott Stillabower, Tiki Dare, and Edward Senteno. We have previously objected to these witnesses. (Oracle also did not disclose Rohit Chatterjee, but Mr. Chatterjee will be deposed later this week pursuant to court order).
2. Google also objects to any attempt by Oracle to call Mathew Sarboraria and Thomas Angioletti, both of whom Oracle initially disclosed but later indicating that it was withdrawing, and whom Oracle omitted from its Rule 26(a)(3) trial witness disclosures.

Because these objections may not be resolved before the Court wishes to include witness names in the jury questionnaire, we will agree to submit the list in its current form, but Google expressly preserves all objections.

Subject: Oracle v Google- Joint Witness List for Jury Questionnaire

Counsel:

Attached please find a draft of a joint witness list for the back of the jury questionnaire. Per Judge Alsup's order we are supposed to submit this tomorrow. This list includes all of the witnesses identified in Appendix B and Appendix C to the parties' Joint Proposed Final Pretrial Order.

Please confirm that this document includes all of Google's witnesses and let us know if you have any edits this evening.

Thank you

Rob
